DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

This application is in condition for allowance except for the presence of claims 5 and 6 directed to a method of measuring a backlash of a swing mechanism which was non-elected without traverse. Accordingly, claims 5 and 6 have been cancelled.

The application has been amended as follows:

- Claims 5 and 6 have been cancelled.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the prior art taken as a whole neither teaches nor renders obvious the combination comprising a pin fit-in hole portion through which said pin fit-in hole is formed extends so as to bulge radially inwardly and is arranged on said swing frame at a location in a vicinity of a place of meshing engagement...

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THOMAS DIAZ whose telephone number is (571)270-5461. The examiner can normally be reached on Monday-Friday 8:30am to 5:00pm..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Ridley can be reached on (571)272-6917. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
